

Ecology Club Meeting Minutes: (PLC Session: 11/29/2011)

- Sign In (22 students in attendance according to sign-in sheet)

Prayer

- Students were informed of the Ecology Club outing to Fullersburg Woods in Oak Brook, on 12/13/2011 to work with the Forest Preserve District of DuPage County. At this outing we will be introduced to the volunteer opportunities available to our organization that day, and in the future.
- A sign up sheet for the outing on 12/13/2011 was put out. Three students at the PLC signed up. Some of the more active members were at other PLC sessions.
- Students then worked on completing signs to be placed on garbage cans and recycle bins throughout the building. About 40 signs were colored. The signs will be completed at our next 2 meetings by mounting them on bright colored paper and laminating them. They will then be installed.
- Thank You to Miss Pasteur of the Art Department for assistance with supplies.
- Students were also informed that our next meeting will be on Wednesday 12/7/2011 instead of our usual Tuesday time. The move is to accommodate the scheduled faculty PLC on Tuesday 12/6/2011.
- Permission slips for our outing on 12/13/2011 have been prepared. We are waiting on the approval sheet submitted to the administration to distribute them.
- Meeting adjourned.
