FALL 2010 MAGAZINE

Dear ICHS Alumni,
Parents and Friends,

When we opened the doors of ICHS to begin this new school year, we were energized by all the smiles on our students' faces. It's a new year full of excitement and possibilities, and each and every one of our faculty and staff are thrilled to be taking this journey alongside them.

As we welcome back many familiar faces, we also want to acknowledge our new Pastor of the Immaculate Conception Parish, Fr. Tom Paul. We will continue to grow and flourish as a high school community, and ICHS – in conjunction with our new leadership – will remain steadfast in our commitment to fulfill our mission.

This year the Diocese of Joliet is celebrating the Year of the Eucharist. As a Catholic school, we recognize that our true spiritual inspiration can be found in our Lord's gift to us – the Eucharist. Our students will be encouraged to make the Eucharist the center of their lives, and seek his guidance during their journey at ICHS and beyond.

May Our Lady of the Immaculate Conception continue to guide and protect you.

FOUR YEARS OF GROWTH

PREPARING FOR COLLEGE, AND FOR LIFE

At Immaculate Conception High School, we open students' eyes to creative ideas, new possibilities, and a world of opportunities for their future. With a rich, seventy-four year history, ICHS has a strong academic curriculum rooted in the spirit of the Catholic faith. Over four years at ICHS, we provide our students with the freedom to explore many interests – in class and beyond.

In a smaller environment like ours, ICHS students experience incredible growth. Our student-centric approach means our teachers provide individualized attention. The ICHS faculty and staff challenge our students each and every day – encouraging them to take risks and advance, both intellectually and spiritually.

At a time when private education is facing many difficult challenges, Immaculate Conception High School continues to thrive. Enrollment has grown for the fifth straight year giving our campus a sense of energy and excitement that's impossible to ignore. With 430 years of collective teaching experience, our staff brings the right mix of seasoned and innovative teaching styles.

At ICHS, academics come first. The “statistics” of the 2010 graduating class are outstanding: the top 54% of the class collectively earned over \$3 million in college scholarships, and the top 5% average ACT score was 31. Furthermore, 33% of the Class of 2010 were members of the National Honor Society, 16% were Illinois State Scholars, one was a National Merit Finalist, and 100% are continuing their education.

ICHS also provides a variety of athletic opportunities for our students to build competitive spirit and excel on their field of play. They develop character, show superior sportsmanship, and treat their coaches, teammates, and opponents with respect.

Our athletic programs achieved new heights in 2010 – the ICHS Varsity Baseball team topped Regional, Sectional, and Super Sectionals and went on to the Class 2A State Final Four. Our Girls Basketball Team also won at Regionals, continuing on to become Sectional Finalists and play in the Sweet Sixteen.

As you can see, our students are empowered to achieve in academics and athletics, but, more importantly, in college and in life. They go on to prestigious schools and meaningful careers. Since these young men and women will help shape the future of our world, at ICHS **every student counts**.

SUCCESS BY DESIGN AN ICHS TRADITION

The class of 2010 left an indelible mark on ICHS that can be characterized by leadership, growth and accomplishment. Like their classmates before them, members of the Class of 2010 were rewarded for their hard work in high school by being accepted into some of the most prestigious universities in the nation. As you read the highlights from some of our most recent graduates, you will see that not only did they excel in the classroom, but made the most of their high school years by getting involved in a wide variety of activities. Most notably, all of the students you will read about below earned honor roll during every semester and Academic All-Conference honors in all four years.

CLASS OF 2010 SPECIAL AWARD RECIPIENTS

SEAN DOHERTY (Co-Valedictorian) is a National Merit Commended Finalist and an Illinois State Scholar who stayed busy participating in many of the clubs and activities that ICHS has to offer. Governor as a Boys State participant. A four year member of the Cross Country, Bowling and Track teams – he was named captain for both Cross Country and Bowling in his senior year. Sean earned acceptance to many top schools and chose to attend the University of Notre Dame where he is majoring in history.

MAGGIE RYAN (Monsignor Plunkett Distinguished Scholar) is an Illinois State Scholar, an American Citizen Award winner and was named Honorable Mention to the Daily Herald Leadership Team, but seemed to find time to be involved in just about everything ICHS has to offer. A four year member of the Volleyball, Basketball and Soccer teams – she was named captain for both Volleyball and Basketball in her senior year. Accepted to a number of top tier schools, Maggie chose to attend the University of Illinois at Urbana Champaign where as a student in the Business School she will pursue her studies in the area of Finance.

He applied his leadership skills as the Vice-President of the National Honor Society and as his student class president for all four years. Still finding time to play three sports, Will was named captain his senior year in both Football and Basketball. Will is now fulfilling his lifelong dream of attending the University of Notre Dame where he will major in finance.

STEPHEN MALONEY (Co-Salutatorian) is an Illinois State Scholar, an American Citizen Award winner and a Regional Science Fair Silver award winner while participating in three sports all four years at ICHS. As the President of the National Honor Society, Stephen was able to shine as a student leader while also participating in a wide variety of activities including his selection as a Boys State participant. Accepted to many top area schools, Stephen chose to attend the University of Dayton where he will study mechanical engineering.

Celeste has been accepted to and will be attending the University of Illinois at Urbana Champaign where she plans to study biology.

FATHER TOM PAUL

WELCOME TO THE ICHS FAMILY

Immaculate Conception High School is pleased to welcome Fr. Thomas Paul as the new Pastor for the IC Parish community. Fr. Tom comes to us from St. Elizabeth Seton Parish in Naperville where he has served as Pastor for the past four years.

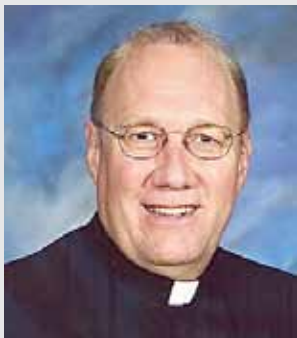

Fr. Tom was born and raised in Joliet, Illinois, where his parents chose to pursue a Catholic education for their four children. Fr. Tom has one brother and two sisters, all of whom received their elementary education at St. Joseph's in Joliet. Fr. Tom went on to attend Joliet Catholic High School after which he entered the seminary. Ordained as a priest on November 5, 1977, Fr. Tom has served in DuPage County for 30 of his 33 years in the priesthood.

To say that Fr. Tom keeps busy would be an understatement. Along with a broad range of experience with other area high schools such as Benet Academy, Marian Catholic and Montini, Fr. Tom is also most notably a member of the Diocesan School Board and also played a key role in the recent Meitler Strategic Initiative, which extensively studied the Diocesan schools.

Another craft that Fr. Tom is passionate about is architecture and design. In addition to his many responsibilities over the years, Fr. Tom has managed to find time to help parish communities nationwide who are planning new church/chapel construction or renovating their existing space. In this role as a Liturgical Design Consultant, Fr. Tom has helped over 100 different facilities and is currently working on a Chapel located in upstate New York. Going out with friends, being outdoors, attending sporting events and going to movies are just a few of the things that Fr. Tom likes to do in his free time. A former runner, he now stays active by walking on the treadmill regularly. This past January, Fr. Tom traveled to Rome for about four months on sabbatical, staying at North American College where he had a view of the Vatican. "The highlight of my stay in Rome was definitely being there for Holy Week," recalled Fr. Tom.

When asked about his view of the high school, Fr. Tom states, "Immaculate Conception Parish and schools have a long history with a great deal of pride and traditions." He went on to share, "I've only been on campus for a short time, but it's easy to see the dedication and commitment that our administration, faculty and staff put forth to enrich our students in the Catholic faith." Fr. Tom is very optimistic about the future of the high school and plans to continue the pursuit of teaching the value of a Catholic education by staying true to the ICHS mission, projecting a clear identity, and doing whatever possible to keep tuition affordable. "One of our challenges will be to remain accessible to all those interested in attending a Catholic high school, further explained Fr. Tom. "The young men and women who come to ICHS as freshmen, graduate as changed individuals. They experience a quality college-prep education, but more importantly have developed spiritually."

Though much has changed since his first visit to ICHS as a junior at Joliet Catholic for a basketball game, Fr. Tom wants to make sure one message remains clear "IC High School will continue to thrive – there is no need to question that. We look forward to a great future in our ministry of helping young people become followers of Christ."

FATHER JIM OUR DEEPEST THANKS FOR ALL YOUR GUIDANCE AT IC PARISH

facility improvements and spiritual counsel during national times of crisis, to advocating the identity of our Immaculate Conception parish: we pray, we educate, and we serve.

It was under Fr. Jim's direction in the Parish Assessment and Renewal program, that the parish leadership was reorganized into five groupings: Worship, Christian Service, Formation, Community Life, and Administration -- to better coordinate the many ministries of IC parish. In addition, the new Welcome Home Initiative was started under Fr. Jim's guidance, and has already begun to reinvigorate our parish.

The Immaculate Conception High School family would like to thank Fr. Jim for his dedication, direction and stewardship in our faith community – especially our high school. May God continue to bless Father Jim in his service to the Lord.

MIKE LA SPISA

PHILANTHROPY THAT ALL STARTED WITH ICHS

At Immaculate Conception High School, one of the core values of our Catholic life is found in Christian service. It is our hope that when our students graduate from ICHS, they leave with a foundation of giving to others that can be built upon throughout the rest of their lives.

Mike La Spisa, Class of 1985, didn't realize right away that the seed of service had been planted during his four years at ICHS. Admittedly, he sort of unearthed this seed years after he was an ICHS student. A huge fan of football legend Walter Payton, it was in 2001 that Mike thought it would be fun to get some guys together for a day of golf and raise a little money for the Walter Payton Foundation. Shortly after, Mike decided to team up with close friend Bill Paschen to expand their efforts with a fall gala/auction in addition to the golf outing in Lake Geneva. What started out as a way to get some friends together for a good cause quickly grew into a charity organization called Kickoff for Kids – all because Mike La Spisa chose to cultivate that seed of service. "I was taught a lot over my four years at ICHS that eventually sank in," explained Mike. "The importance of community, helping others and

giving back were the most important lessons that I took from ICHS."

Born and raised in Elmhurst, Mike has chosen this community to raise his own family. Mike and his wife Cathy, who married in 1999, moved to Elmhurst shortly after their oldest daughter Alex was born in the Spring of 2001. Within a few short years, the La Spisa family grew, with the birth of their son Jake in 2003 and daughter Caroline in 2006. Never one to sit still, Mike recently started the "Jefferson School Dad's Club" at the school where his children attend. The main goal of the new club comes as no surprise – to raise funds which have already been used to install a basketball court behind the school this past summer. "Cathy and I want our children to understand that being charitable is a way of life in our home, and they are learning from a very young age how important it is."

"I am very blessed in many ways, so I truly want to be able to help others that are not as fortunate – especially children," said Mike. "My goal now is to get more Elmhurst residents involved so that we can focus on the children in need right here in our own community."

It was his experiences at ICHS that helped make him who he is today – of that Mike has no doubt. These are now the lessons the La Spisa family is able to pass on to their children today so that they may grow their own seeds of service.

Kickoff for Kids is an organization dedicated to enriching the lives of local kids. This volunteer-run organization raises funds for organizations such as the Elmhurst Public Library Reading Program, area youth running clubs, and ICHS's White Knight Foundation, plus many more. KOK recently donated \$30,000 to build two "kid zone" playrooms in the new Elmhurst Memorial Hospital.

DEIRDRE GILLETTE

ONCE A KNIGHT, ALWAYS A KNIGHT.

My name is Deirdre Gillette, and I can honestly say that ICHS is an amazing place, filled with thought provoking and challenging academics, involved students, and a caring faculty. During eighth grade at IC Grade School, I wondered where the next chapter of my life would lead me. I shadowed at

other high schools but clearly remember the moment I walked through the doors of ICHS. I sensed I was more than a number in the new freshman class, and I'll admit I loved that feeling. At Immaculate Conception High School, I discovered a Catholic school where I knew I could really make a difference and get the most out of my high school years.

I am thankful to ICHS for providing a rigorous course schedule that is unquestionably prepared me for my future. I have been challenged in many ways, from fine-tuning an Honors English

paper to solving a complex AP Calculus problem. In association with ICHS, my senior year academic day begins at Elmhurst College where I am taking

Calculus II. I feel very fortunate to gain experience in an actual college classroom while earning college credits.

Outside of academics, I am involved in several extracurricular activities at ICHS. In addition, I am an eight time World Championship qualifier in Irish dance. Through these activities, I have had some of the most rewarding experiences of my high school career, and I've loved every minute of being a Knight.

As I begin the process of college applications, I am confident the education, friendships, and life lessons gained at ICHS will help me throughout life. I believe being a Knight doesn't end upon graduation. It remains a part of me as I embark on my lifelong journey of faith, education, and compassion. As I move toward the next chapter of my life, I can't help but reflect on my eighth grade self; wondering if I would be able to achieve my dreams in high school. Fast-forward to today, and I am happy to say I am absolutely living that dream.

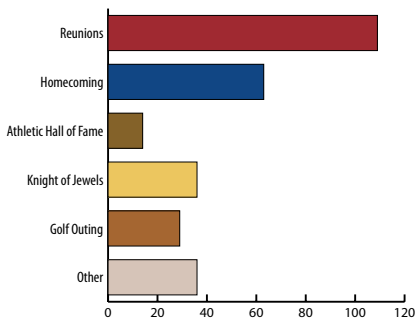

ALUMNI & FRIENDS SURVEY ICHS IS LISTENING

Thank you to everyone who participated in our 2010 Alumni & Friends Survey this summer. As valued members of the ICHS community, your input and feedback are very important to us.

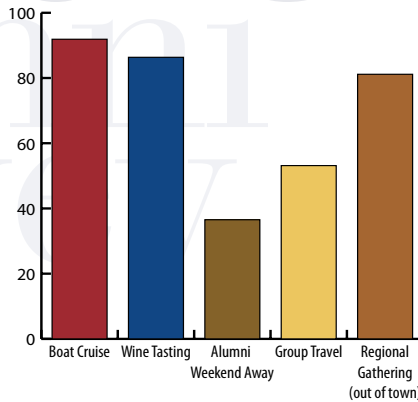

It's wonderful to have alumni, parents and friends who are engaged and understand the importance of communication. While we get letters from some of you telling us to "keep up the good work" or phone calls providing us with advice or new ideas, it's great to get feedback from a wider audience about our magazine, emails, and events – as well as your connection to the High School.

We've received responses from 236 individuals (at press time). Following is a brief selection of our results and insights from the survey.

WHICH CURRENT ICHS EVENTS DO YOU ATTEND REGULARLY?

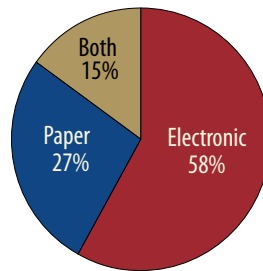

WHAT NEW EVENTS MIGHT YOU LIKE TO ATTEND?

Among local alumni, a boat cruise or wine tasting would be the top choices. Our out-of-town alumni would like to organize gatherings in their city.

HOW DO YOU PREFER TO RECEIVE COMMUNICATION FROM ICHS?

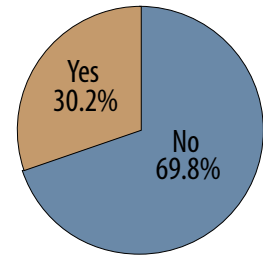

The trend is definitely toward more electronic communication, although more than a quarter of alumni prefer paper exclusively.

WHAT TOPICS WOULD YOU LIKE TO HEAR MORE ABOUT FROM ICHS?

The most common responses to this free-text question were to hear more about alumni news and the future / finances / enrollment at ICHS.

HAVE YOU SIGNED UP FOR YOUR ALUMNI & FRIENDS PAGE ONLINE?

Of those who responded yes, they say "it's great," and they love keeping in touch with friends from ICHS.

If you haven't signed up for your FREE Alumni & Friends web page – now is the time! For more information about how to sign up, please contact our Alumni Officer, Tim Chandler, at 630.530.3494 or tchandler@ichsknights.org.

It's not too late to participate in this survey! Simply go to our website at www.ichsknights.org and click on Alumni & Friends Survey on the bottom left of the Home Page. If you take the survey before October 1st, you can still enter the drawing for a chance to win a \$250 Gift Card!

GOLFERS GO THE DISTANCE

RECORD \$17,500 RAISED AT 18TH ANNUAL GOLF OUTING

On Friday, June 18th, 140 golfers turned out for the 18th Annual ICHS Scholarship Golf Outing which was held at Bloomingdale Country Club. Although rain shortened the golf portion of the event, participants still enjoyed the festivities, including a putting contest for the chance to win \$5,000, competitions for the longest drive, closest to the pin, as well as a hole-in-one at all the par 3 holes. In addition, every golfer had a chance to hit a hole-in-one on the 11th hole to win a 3-year lease on a 2010 Buick LaCrosse, courtesy of Haggerty Buick & GMC.

Golf was cut short due to the rain, so we raffled off the crown, and the winning foursome was Sean Hoffman '88; Patrick Loughman '88; Joe Mase; and Steve Willuweit '88. They were awarded with free entry into next year's outing. Congrats, gentlemen!

While the golfers were able to enjoy a day full of food, fun and friendly competition, the real winners are the students of ICHS. All the money raised through the Scholarship Golf Outing, sponsored by the ICHS Alumni Association, is used to fund scholarships for current and incoming ICHS students. Thanks to tremendous support from this year's sponsors and participants, this year's event raised over \$17,500.

The Immaculate Conception High School Alumni Association would like to thank all the sponsors, participants, and volunteers for making the 18th Annual Scholarship Golf Outing such a huge success.

INTRODUCING BOYS LACROSSE

COMING IN SPRING 2011 TO ICHS ATHLETIC PROGRAM

ICHS Athletics is proud to announce that Boys Lacrosse will be added as a Club sport beginning in the Spring 2011. The sport of lacrosse is a fast paced game which is similar to hockey. Lacrosse is a contact sport with specialized positions that allows athletes of any size to participate.

Tom O'Brien of Elmhurst has been named Head Coach for the new Lacrosse program at ICHS. A native of Long Island, New York, Coach OB has been

playing lacrosse since he was a young boy, including helping his high school team win two consecutive NY State Championships with a perfect record of 48-0. Coach OB went on to play at the University of Notre Dame. In recent years, he has coached youth leagues in Elmhurst, Wheaton and Hinsdale. The Elmhurst program, which he helped start in the spring 2010, was so popular that it quickly became the second biggest youth program in the western suburbs.

CAPITAL CAMPAIGN UPDATE

GREAT THINGS ARE HAPPENING!

We are proud to welcome Father Thomas Paul and his leadership and vast experience to ICBS. Under his guidance, we will continue to move forward with this capital campaign.

Now that Fr. Tom has had some time to settle in, we are excited to move ahead with our capital campaign. As we bring Fr. Tom up to speed on the data collected in Phase I from our feasibility study, we will continue through the Preparation Phase as planned with focus groups, additional fine-tuning of our goals for the campaign, as well as continuing to identify volunteer leadership among the many other tasks that are associated with this phase. Again, we are very excited to keep the momentum of this campaign building, as we know you are too.

Thank you for your continued support and stay tuned for more information on the next phase!
